Notes

This Accessibility Conformance Report presents the results of Laserfiche's accessibility evaluation of Home Site. Conformance was evaluated against WCAG 2.2 (Level A and AA). Success criteria outside the evaluated scope — including later WCAG 2.2 additions and all Level AAA criteria that were not tested — are listed as "Not Evaluated" rather than assigned an untested rating.

Evaluation methods used

Manual testing with the Chrome web browser and the NVDA screen reader, plus automated scans with the axe-core DevTools extension.
